Time Capsule Opening

On 10th of December Gladstone Public School opened their 25 year time capsule. The time capsule was placed in the school in 1988 to coincide with the bicentenary. The school had over 100 visitors including our former Principal Garry Munday, the Mayor of Kempsey, Liz Campbell and many former captains, students, parents and community members.

Gladstone students presented two musical items for the presentation. The current students also wrote letters to themselves which were placed in a new time capsule which will be opened in another 25 years.

Thank you to everyone who helped with the organisation of this day. It was wonderful to reminisce with friends of Gladstone Public School.
