PRINCIPAL’S MESSAGE

Christmas is just around the corner!!! Can you believe it!! Whilst many are winding down for the Christmas period, we are winding up. We have our presentation night, excursions, transition days and P & C meetings all ahead of us.

The past two weeks have flown by. Kindergarten 2015 all came for their final orientation day last Tuesday. They had a wonderful time creating some Christmas craft, singing and enjoying the company of their new friends. It was a pleasure to have such lovely children attending our school.

Crazy Hair Day created some excitement with some amazingly creative styles exhibited by both students and teachers! We also raised some extra funds to go towards our end of year excursions.

**2M News**

The term is flying by and we are madly trying to wrap up all of our units of work to prepare for ‘money week’ starting next week. 2M has commenced preparations for our final presentation assembly and end of year activities. Very soon students will be bringing home their work for the year including some fantastic artworks.

All of our class have been working extremely hard to earn tickets. Students must receive a minimum of 20 tickets to attend the two days of excursions at the end of the year. This works out at approximately 1 ticket per day. Already a few students have received close to half the amount they need. A super effort.

Some of our Year 6 students will be attending their final orientation days to high school for 2014. I’m sure they will be having very mixed feelings, being very excited about high school and sad about leaving their primary school behind.

**Super workers:**

Daniel – For neatness in spelling and great test results.
Bill T – Quality artworks!
Jess and Ella G – Great results in our weekly spelling test.

**Bill T**

For his continued support of the canteen by selling ice-breakers on the Canteen off-days throughout the year.

**2M STUDENT OF THE WEEK**

Brian Robinson
For his continued application to his work in all subjects.
1H News

We had a visit on Tuesday from our Kindergarten children for 2015. They settled very quickly and it was as if they have been here for months not two days. What a great bunch they are going to be. Thank you to the rest of my class for making them feel welcome and taking care of them.

We are getting to the end of our units in most subject areas. The next two weeks will focus on "money" and "Christmas" activities. For news next week the children need to bring a photo of themselves at a family celebration. (Christmas, Birthday, Easter, Wedding, Christening etc.)

SUPER WORKERS
Brooke S- The Aussie of the Month for December for her caring attitude towards the new Kinders.
Taite- The Student of the Week for his excellence in Maths.
Dominic, Jasmine, Billy and Caitlin- great reading.
Georgia- Beautiful handwriting.
Zachary- Quick thinking in Maths.

Mrs. Pugh’s News

Library: Please make sure all books are returned to the Library as I will be stocktaking over the next 2 weeks. Unfortunately students will be unable to borrow books during this time.

The GOOD news is that there are many new books which will be ready to borrow in 2015!

Science: Most of 2M have presented their projects relating to the Environment. I was very impressed by the hard work that went into them with fantastic results. Well done! Pictured Below:

Garden News: Watermelons will be the crop of next term. They have germinated and are growing well. We will also be planting some pumpkin vines for 2015. Here’s hoping for some rain... Happy days, Mrs J. Pugh

Brooke S– Is our Aussie of the month for December for being patient and helpful with the new Kindys.

Taite- for his excellent work in Maths
